## COUNTY OF LOS ANGELES 2012 "GREEN LEADERSHIP AWARD" PROGRAM

On behalf of the County of Los Angeles Board of Supervisors, we are pleased to invite you to submit applications for the 2012 "Green Leadership Award" program. This program recognizes outstanding efforts by individuals and organizations in fulfilling innovative strategies to improve our environmental sustainability. Each year, our residents, businesses and local organizations face challenges involving environmental issues in the County of Los Angeles. The Board of Supervisors seeks to recognize the outstanding efforts that benefit the residents of Los Angeles County and to provide an opportunity for highlighting these best practices.

The program is open to all County residents, public agencies, businesses, and nonprofit organizations. If your project entails a response to a Federal or State regulation or order, the project must go beyond mere compliance and display a creative approach to meeting those needs.

For the 2012 County of Los Angeles Green Leadership Award Application, go to [www.lacounty.gov](http://www.lacounty.gov) and click on "Green Leadership Awards"
